School on Seismology beyond Textbooks | (smr 2833)

Friday 02 September 2016

notitle - AGH (Kastler Lecture Hall) (09:00-18:00)

time	title	presenter
09:00	Velocity imaging and monitoring based on seismic noise - What some studies don't tell	PAROLAI S. / PILZ M.
10:30	coffee break	
11:00	Velocity imaging and monitoring based on seismic noise - What some studies don't tell	PAROLAI S. / PILZ M.
12:30	lunch break	
14:30	Computer Exercises: common errors / shortcomings in seismic data processing	PAROLAI S. / PILZ M.
16:00	coffee break	
16:30	Computer Exercises: common errors / shortcomings in seismic data processing	PAROLAI S. / PILZ M.
