

**Advanced School on Earth System Modelling & Workshop on Climate  
Change and Regional Impacts over South Asia | (smr 2837)**

Contribution ID : 320

Type : **not specified**

**Towards improving the representation of aerosols  
and clouds in climate models for better simulations  
of the Indian Monsoon**

*Friday, 29 July 2016 10:10 (0:20)*

**Content**

**Summary**

**Presenter(s) :** DILIP GANGULY (IIT Delhi)

**Session Classification :** Session 3: Regional response to climate change Chair: Massimo Bollasina
