## 18th International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 3101)

Contribution ID: 920 Type: not specified

## **Electronic Structure and Lattice Stability of Correlated Electron Materials**

Thursday, 12 January 2017 11:45 (0:30)

Content

Summary

Presenter(s): I. LEONOV (Institute of Physics, University of Augsburg)

**Session Classification**: Session: Charge and Spin Correlations
