Conference on Many-Body-Localization: Advances in the Theory and Experimental Progress | (smr 3132)

Friday 14 July 2017

Chairman Morning: M. MUELLER - Budinich Lecture Hall (LB) (09:00-12:45)

time	title	presenter
09:00	Probing Many-Body Localisation from an Ultracold Atom Perspective	BLOCH, Immanuel
09:50	Dynamics across Many-Body Localization Transition	SERBYN, Maksym
10:40	Coffee break	
11:10	The Temperature of a Single Chaotic Eigenstate	IZRAILEV, Felix
11:40	Probing and Controlling Localization in Disordered Quantum Magnets	ROS, Valentina
12:30	Closing Remarks
