

# Photoinduced charge transfer processes in oligonucleotides: from base pairs up to DNA duplexes

*Monday, 21 May 2018 16:05 (0:50)*

## Content

## Summary

**Presenter(s) :** IMPROTA, Roberto (IBB-CNR, Napoli, Italy & Universite' Paris-Saclay, France)

**Session Classification :** Session 3 - Excitonic behaviours, charge and energy transfer in biological systems - I
