

International Conference on Multi-Condensate Superconductivity and
Superfluidity in Solids and Ultra-cold Gases | (smr 3204)

Contribution ID : 29

Type : **not specified**

Curvatronics with Multilayer Graphene

Wednesday, 16 May 2018 17:00 (0:30)

Content

Summary

Presenter(s) : CARIGLIA, Marco (Federal University of Ouro Preto, MG, Brazil)

Session Classification : Session X - Superfluidity and Superconductivity in Graphene
