

Superconductivity in Restricted Geometrics. The Cases of Cu_xTiSe_2 , β - Bi_2Pd & $(LaSe)_{1.14}(NbSe_2)$

Thursday, 17 May 2018 09:00 (0:40)

Content

Summary

Presenter(s) : SAMUELY, Peter (Centre of Ultra Low Temperature Physics, Institute of Experimental Physics, Kosice, Slovak Republic)

Session Classification : Session XI - Topological and Other Orders in Bulk Multicomponent Superconductors
