

# Interplay Between Anisotropic Multiband Superconductivity and Unconventional Electronic Order in Pd Chalcogenides

*Monday, 14 May 2018 15:50 (0:30)*

## Content

## Summary

**Presenter(s)** : BALICAS, Luis (National High Magnetic Field Laboratory, Dept. of Physics, Florida State University, Tallahassee FL, U.S.A.)

**Session Classification** : Session I - Multiband Superconductivity and Superfluidity
