

International Conference on Multi-Condensate Superconductivity and  
Superfluidity in Solids and Ultra-cold Gases | (smr 3204)

Contribution ID : 41

Type : **not specified**

## Superfluidity and Geometry of Flat Bloch Bands

*Friday, 18 May 2018 09:40 (0:30)*

### Content

### Summary

**Presenter(s)** : PEOTTA, Sebastiano (Aalto University, COMP, Quantum Dynamics Group. Aalto, Finland)

**Session Classification** : Session XIV - Multicomponent Fermionic Systems
