

School on Collective Animal Behaviour

16 - 27 March 2020
Havana, Cuba

Further information:
<http://indico.ictp.it/event/9029/>
smr3432@ictp.it

Collective behavior is a distinctive trait of human and animal societies.

This school aims at providing a thorough introduction to basic notions and advanced topics in this subject from the viewpoints of physics, biology, computer science and robotics.

Organizers:

ERNESTO ALTSHULER
University of Havana, Cuba

ROBERTO MULET
University of Havana, Cuba

ICTP Scientific Contact:

ANTONIO CELANI

Provisional List of Speakers:

HUGUES CHATÉ
CEA, Paris

IAIN COUZIN
Max Planck Institute of Animal Behavior, Konstanz

DEBORAH GORDON
Stanford University

MARCELO MAGNASCO
Rockefeller University, New York

MELANIE MOSES
University of New Mexico

DAVID SUMPTER
University of Uppsala

GUY THERAULAZ
CRCA, Toulouse

How to apply:

Online application:
<http://indico.ictp.it/event/9029/>

Female scientists are encouraged to apply.

Grants:

A limited number of grants are available to support the attendance of selected participants, with priority given to participants from developing countries. There is no registration fee.

Deadline:

for applications with financial support:

31 December 2019

for applications without financial support:

01 February 2020
