Challenges for the international community - Online (15:00-16:10)

Chairperson: Abhishek SHIVAKUMAR (Agile Output Manager, Loughborough University & UCL, UK)

In this session challenges will be discussed by a set of representatives from international programmes and organisation. Key themes will include: How to improve operational coordination, but keep important diversity? What needs to be developed to improve co-creation and national ownership? How might analysis efforts and resource be improved? How might it be possible to increase incentives and access to opportunity for future champions?
