

Independent group work towards the goals set for the day

Tuesday, 22 June 2021 05:00 (4:45)

Content

Participants schedule their study and breaks to fit with their time zone. There is no requirement to stick to this schedule of study so long as participants study sufficiently to produce required deliverables and join troubleshooting sessions if problems arise. Participants in Africa can start their day at a reasonable time, with a coaching session scheduled next.
