

QE-2021: MaX School on Advanced Materials and Molecular Modelling with Quantum ESPRESSO
(<http://indico.ictp.it/event/9616/>)

Video platform used for the QE-2021 school: zoom (<https://zoom.us>)

Agenda for participant's on-line "zoom" computer setup session

Date and time: Friday 14 May 2021 from 9:00 to 12:00 CEST

Prerequisites for Friday meeting:

1. have zoom installed prior to meeting
2. prior to meeting, each participant should download from <http://qe2021.ijs.si/> an all-inclusive *QE-2021 Virtual Machine* that contains simulation software and material required for the QE-2021 hands-on courses.

It is highly recommended that each participant not only downloads but also installs the virtual machine.

Installation instructions and download site: <http://qe2021.ijs.si/>

Tentative program of the Friday's on-line computer setup session

9:00 – 10:00 Virtual help-desk to troubleshoot the issues regarding the virtual-machine installation (only for those requiring assistance).

10:00 – 11:00 Introduction to the Zoom and Slack platforms. Details on the organization of the School and the Code of conduct.

11:00 – 12:00 Introduction to the QE-2021 virtual-machine and HPC facilities provided (remote access set up and familiarization).
