

Joint ICTP-IAEA Course on Theoretical Foundations and Application of  
Computational Fluid Dynamics in Nuclear Engineering | (smr 3640)

Contribution ID : 70

Type : **not specified**

## Interface Resolving Techniques

*Tuesday, 14 September 2021 14:00 (1:00)*

### Content

### Summary

**Presenter(s)** : YOHEI SATO (PSI, Switzerland)

**Session Classification** : Session 3. Two Phase Computational Fluid Dynamics
