

# Higher order equations. Q-curvatures. Relation with spectral invariants. Applications to Kleinian groups (2)

*Tuesday, 29 April 2003 17:00 (1:00)*

## Content

## Summary

**Primary author(s) :** J. QING (University of California at Santa Cruz, USA)

**Presenter(s) :** J. QING (University of California at Santa Cruz, USA)

**Session Classification :** Higher order equations. Q-curvatures. Relation with spectral invariants. Applications to Kleinian groups (2)
