

# Interacting electrons in disordered quantum wires: dephasing and low-temperature transport

*Thursday, 24 June 2004 15:00 (0:45)*

## Content

## Summary

**Primary author(s)** : GORNYI, I. (Universität Karlsruhe)

**Presenter(s)** : GORNYI, I. (Universität Karlsruhe)

**Session Classification** : Interacting electrons in disordered quantum wires: dephasing and low-temperature transport
