

Wave-particle duality and quantum erasure in atom interferometry

Thursday, 4 November 2004 09:00 (1:10)

Content

Summary

Primary author(s) : G. REMPE (Max-Planck-Inst.für Quantenoptik, München, Germany)

Presenter(s) : G. REMPE (Max-Planck-Inst.für Quantenoptik, München, Germany)

Session Classification : Wave-particle duality and quantum erasure in atom interferometry
