

Supersymmetric SO(10) model for fermion masses and mixing

Tuesday, 24 May 2005 12:00 (0:30)

Content

Summary

Primary author(s) : Z. BEREZHIANI (Institute of Physics, GAS, Georgia)

Presenter(s) : Z. BEREZHIANI (Institute of Physics, GAS, Georgia)

Session Classification : Supersymmetric SO(10) model for fermion masses and mixing
