

# Understanding the differences in neutrino and charged fermion flavour structures

*Thursday, 26 May 2005 17:20 (0:20)*

## Content

## Summary

**Primary author(s) :** O. VIVES (C.E.R.N., Geneva, Switzerland)

**Presenter(s) :** O. VIVES (C.E.R.N., Geneva, Switzerland)

**Session Classification :** Understanding the differences in neutrino and charged fermion flavour structures
