

## **Thermal transport and specific heat in the vortex state of unconventional superconductors**

*Friday, 18 August 2006 16:40 (0:20)*

### **Content**

### **Summary**

**Primary author(s)** : ANTON VORONTSOV (Louisiana State University, LA Baton Rouge, U.S.A.)

**Presenter(s)** : ANTON VORONTSOV (Louisiana State University, LA Baton Rouge, U.S.A.)

**Session Classification** : Thermal transport and specific heat in the vortex state of unconventional superconductors
