

**ICTP-INFN Advanced Training Course on FPGA Design and VHDL for  
Hardware Simulation and Synthesis | (smr 1780)**

Contribution ID : 50

Type : **not specified**

# **Digital Signal Processing and Radar applications I**

*Monday, 11 December 2006 09:30 (1:00)*

## **Content**

## **Summary**

**Primary author(s) :** KONSTANTIN LUKIN

**Presenter(s) :** KONSTANTIN LUKIN

**Session Classification :** Digital Signal Processing and Radar applications I
