# Conference on "From Physical Understanding to Novel Architectures of Fuel Cells" | (smr 1841)

## Tuesday 22 May 2007

**Fluorous, Ion-containing Block Copolymers: Model Polymers for Investigating the Role of Morphology on Proton Conduction - Adriatico Guest House Kastler Lecture Hall**

**(14:30-15:00)**

time	title	presenter
14:30	Fluorous, Ion-containing Block Copolymers: Model Polymers for Investigating the Role of Morphology on Proton Conduction	STEVEN HOLDCROFT
