

Dynamic Instabilities in Electrocatalysis and their Impact on Reaction Efficiencies

Wednesday, 23 May 2007 11:00 (0:30)

Content

Summary

Primary author(s) : KATHARINA KRISCHER (Technical University Munich, Germany)

Presenter(s) : KATHARINA KRISCHER (Technical University Munich, Germany)

Session Classification : Dynamic Instabilities in Electrocatalysis and their Impact on Reaction Efficiencies
