Contribution ID : 27

Type : not specified

Dual scale modeling of mobility of additives in a polymer matrix

Tuesday, 22 May 2007 11:30 (0:30)

Content

Summary

Primary author(s): NICO VAN DER VEGT (Max Planck Institute, Mainz, Germany)
Presenter(s): NICO VAN DER VEGT (Max Planck Institute, Mainz, Germany)
Session Classification: Dual scale modeling of mobility of additives in a polymer matrix
