

# Mutiscale Modeling for PEM: From Atomistic Modeling to Improved Durability and Power Density, and Cost Reduction

*Thursday, 24 May 2007 15:30 (0:30)*

## Content

## Summary

**Primary author(s) :** SERGEI F. BURLATSKY (United Technologies Research Center, East Hartford, U.S.A.)

**Presenter(s) :** SERGEI F. BURLATSKY (United Technologies Research Center, East Hartford, U.S.A.)

**Session Classification :** Mutiscale Modeling for PEM: From Atomistic Modeling to Improved Durability and Power Density, and Cost Reduction
