Correlations and helical coherence in DNA structure: "straightening" the helix upon crystal packing

Monday, 1 June 2009 18:00 (0:15)

Content

Summary

Primary author(s): AARON WYNVEEN (University of Duesseldorf, Germany)

Presenter(s): AARON WYNVEEN (University of Duesseldorf, Germany)

Session Classification : Correlations and helical coherence in DNA structure: "straightening" the helix upon crystal packing
