

# Inverse Retrospective Problems of Thermal Evolution of the Earth Interior: Applications. Part II

*Thursday, 1 October 2009 14:25 (0:45)*

## Content

## Summary

**Primary author(s) :** PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Presenter(s) :** PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Session Classification :** Inverse Retrospective Problems of Thermal Evolution of the Earth Interior: Applications. Part II
