

# Influence of sliding speed and surface properties on adhesion and friction forces

*Wednesday, 21 October 2009 09:40 (0:20)*

## Content

## Summary

**Primary author(s) :** PIERRE-EMMANUEL MAZERAN (Laboratoire Roberval UMR CNRS, Compiègne, France)

**Presenter(s) :** PIERRE-EMMANUEL MAZERAN (Laboratoire Roberval UMR CNRS, Compiègne, France)

**Session Classification :** Influence of sliding speed and surface properties on adhesion and friction forces
