

The Abdus Salam
International Centre for Theoretical Physics

Winter College on Optics and Energy

8 - 19 February 2010 Miramare, Trieste - Italy

16 February 2010

SPIE conferred the grade of Fellow of the Society upon Paul Buah-Bassuah, in recognition of distinguished and valuable contributions to the field of optics and photonics

From L to R: Maria Yzuel, Immediate Past President of SPIE and Paul Buah-Bassuah, Professor at the Laser and Fibre Optics Centre, University of Cape Coast, Ghana.

The Abdus Salam
International Centre for Theoretical Physics

Winter College on Optics and Energy

8 - 19 February 2010 Miramare, Trieste - Italy

**2010 LAMP Oral Presentation Award sponsored by ICO
awarded to:**

Copyright Roberto Barnabà, ICTP Photo Archives

Norberto Daniel Lanzillotti Kimura

for the talk entitled
"Coherent generation of acoustic phonons in optical microcavities"

Copyright Roberto Barnabà, ICTP Photo Archives

Donato Vincenzi

for the talk entitled
"Design of Spectrum Splitting Photovoltaic Concentrators"

From L to R: María L. Calvo, ICO President with the two winners

Winter College on Optics and Energy

8 - 19 February 2010 Miramare, Trieste - Italy

2010 ICO/ICTP Gallieno Denardo Prize awarded to:

Dr. Cleber Renato Mendonca

Copyright Roberto Barnabà, ICTP Photo Archives

Copyright Roberto Barnabà, ICTP Photo Archives

Dr. Cleber R. Mendonca and Maria L. Calvo, ICO President

FOR THE DEVELOPMENT OF NOVEL METHODS AND PROCEDURES OF NON-LINEAR OPTICS, IN PARTICULAR THE USE OF FEMTOSECOND PULSES AND FEMTOSECOND LASER MICRO-FABRICATION IN POLYMERS FOR INVESTIGATING NONLINEAR OPTICAL PROPERTIES OF ORGANIC COMPOUNDS, AND FOR ESTABLISHING EFFECTIVE INTERDISCIPLINARY COLLABORATIONS WITHIN BRAZIL.

The Abdus Salam
International Centre for Theoretical Physics

Winter College on Optics and Energy

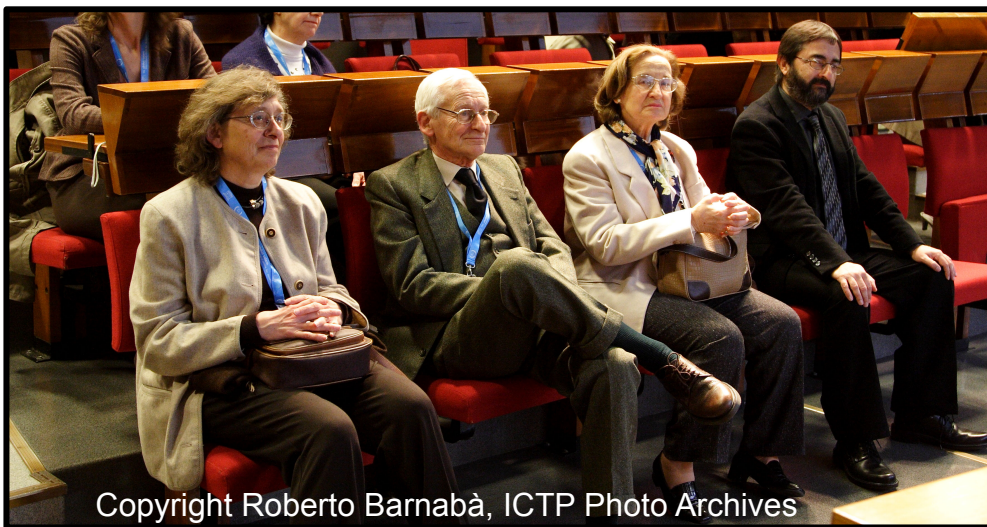

8 - 19 February 2010 Miramare, Trieste - Italy

María L. Calvo, ICO President

Joe Niemela, Local Organizer

**From L to R: Prof.s R. Ramponi, M. Bertolotti,
A. Consortini and F. Quevedo, ICTP Director**

The Abdus Salam
International Centre for Theoretical Physics

Winter College on Optics and Energy

8 - 19 February 2010 Miramare, Trieste - Italy

Seminar held by the winner
