

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for
Characterization and Basic Understanding of Radiation Damage
Mechanisms in Materials | (smr 2137)

Contribution ID : 25

Type : **not specified**

Modeling helium effects in bcc iron

Friday, 16 April 2010 09:00 (1:00)

Content

Summary

Primary author(s) : M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

Presenter(s) : M. SAMARAS (Paul Scherrer Institut, Villigen, Switzerland)

Session Classification : Modeling helium effects in bcc iron
