

Joint ICTP-IAEA Advanced Workshop on Multi-Scale Modelling for  
Characterization and Basic Understanding of Radiation Damage  
Mechanisms in Materials | (smr 2137)

Contribution ID : 34

Type : **not specified**

## Theoretical modeling of track formation in materials under heavy ion irradiation

*Monday, 19 April 2010 14:00 (1:00)*

### Content

### Summary

**Primary author(s)** : A. RYAZANOV (Russian Research Centre “Kurchatov Institute”, Moscow, Russian Federation)

**Presenter(s)** : A. RYAZANOV (Russian Research Centre “Kurchatov Institute”, Moscow, Russian Federation)

**Session Classification** : Theoretical modeling of track formation in materials under heavy ion irradiation
