

# Electronic-structure and transport in nanostructures based on Wannier functions

*Tuesday, 25 May 2010 09:00 (1:00)*

## Content

## Summary

**Primary author(s)** : N. MARZARI (MIT, Cambridge, USA and Univ. of Oxford, Materials Modelling Lab. Oxford, UK)

**Presenter(s)** : N. MARZARI (MIT, Cambridge, USA and Univ. of Oxford, Materials Modelling Lab. Oxford, UK)

**Session Classification** : Electronic-structure and transport in nanostructures based on Wannier functions
