

Summer School and Conference on Hodge Theory and Related Topics |  
(smr 2150)

Contribution ID : 23

Type : **not specified**

## Hodge structures, mixed hodge structures - 3

*Thursday, 17 June 2010 14:00 (0:50)*

### Content

### Summary

**Primary author(s)** : F. ELZEIN (Institut de Mathematiques de Jussieu, Paris, France)

**Presenter(s)** : F. ELZEIN (Institut de Mathematiques de Jussieu, Paris, France)

**Session Classification** : Hodge structures, mixed hodge structures - 3
