

# Non-equilibrium dynamics of strongly interacting Bosonic and Fermionic quantum gases

*Thursday, 24 June 2010 14:45 (0:45)*

## Content

## Summary

**Primary author(s)** : IMMANUEL BLOCH (Max-Planck-Institut für Quantenoptik, Garching bei München, Germany)

**Presenter(s)** : IMMANUEL BLOCH (Max-Planck-Institut für Quantenoptik, Garching bei München, Germany)

**Session Classification** : Non-equilibrium dynamics of strongly interacting Bosonic and Fermionic quantum gases
