

## Current state of complex plasmas, with examples from 2D

*Monday, 5 July 2010 16:30 (0:40)*

### Content

### Summary

**Primary author(s) :** VLADIMIR NOSENKO (Max-Planck Institute for extraterrestrial Physics, Garching, Germany)

**Presenter(s) :** VLADIMIR NOSENKO (Max-Planck Institute for extraterrestrial Physics, Garching, Germany)

**Session Classification :** Current state of complex plasmas, with examples from 2D
