

## **Orbital angular momentum in a plasma: photons, plasmons and phonons**

*Wednesday, 7 July 2010 10:20 (0:20)*

### **Content**

### **Summary**

**Primary author(s) :** TITO MENDONCA (Instituto Superior Tecnico, Lisbon, Portugal)

**Presenter(s) :** TITO MENDONCA (Instituto Superior Tecnico, Lisbon, Portugal)

**Session Classification :** Orbital angular momentum in a plasma: photons, plasmons and phonons
