Workshop on Nano-Opto-Electro-Mechanical Systems Approaching the Quantum Regime | (smr 2164)

Tuesday 07 September 2010

Laser interferometer gravitational wave detectors: (Quantum) opto-mechanics on the large scale - Adriatico Guest House Kastler Lecture Hall (09:00-09:40)

time	title	presenter
09:00	Laser interferometer gravitational wave detectors: (Quantum) opto-mechanics on the large scale	DAVID MCCLELLAND
