

Workshop on Nano-Opto-Electro-Mechanical Systems Approaching the  
Quantum Regime | (smr 2164)

Contribution ID : 24

Type : **not specified**

## Quantum measurement and full counting statistics of phonon shot noise

*Wednesday, 8 September 2010 09:00 (0:40)*

### Content

### Summary

**Primary author(s)** : AASHISH CLERK (McGill University, Montreal, Canada)

**Presenter(s)** : AASHISH CLERK (McGill University, Montreal, Canada)

**Session Classification** : Quantum measurement and full counting statistics of phonon shot noise
