

*The Abdus Salam*  
**International Centre for Theoretical Physics**

Activity SMR: **2228**

# **International Conference on the Coordinated Regional Climate Downscaling Experiment - CORDEX**

**21 March 2011 - 26 March 2011  
Trieste - ITALY**

**Co-sponsored by the World Climate Research Program (WRCP)  
and the Global Change System for Analysis Research and  
Training (START)**

**Final List of Participants**

**Total Number of Visitors: 153**

| No.             | NAME and INSTITUTE   | Nationality                             | Function        |
