

Workshop on Advanced Oxide Interfaces (9-12 May), followed by:
ADGLASS General Meeting (13 May) | (smr 2236)

Contribution ID : 2

Type : **not specified**

Simulating oxides with atomistic models - an introduction

Monday, 9 May 2011 14:00 (1:00)

Content

Summary

Primary author(s) : PAUL TANGNEY (Imperial College London, U.K.)

Presenter(s) : PAUL TANGNEY (Imperial College London, U.K.)

Session Classification : Simulating oxides with atomistic models - an introduction
