# Advanced School on Scaling Laws in Geophysics: Mechanical and Thermal Processes in Geodynamics | (smr 2240)

## Wednesday 25 May 2011

**Rayleigh-Taylor instability, effects of non-Newtonian viscosity.**

**Derivation of the dependence of growth rate on  $n$ .**

**- Adriatico Guest House Kastler Lecture Hall (14:00-14:30)**

time	title	presenter
14:00	Rayleigh-Taylor instability, effects of non-Newtonian viscosity. Derivation of the dependence of growth rate on $n$ .	G. HOUSEMAN
