

## **Real time AdS/CFT and applications: jet quenching and second order hydrodynamic coefficients**

*Thursday, 18 August 2011 10:00 (1:00)*

### **Content**

### **Summary**

**Primary author(s) :** DIANA VAMAN (University of Virginia, Charlottesville, USA)

**Presenter(s) :** DIANA VAMAN (University of Virginia, Charlottesville, USA)

**Session Classification :** Real time AdS/CFT and applications: jet quenching and second order hydrodynamic coefficients
