

# Advanced School on Understanding and Prediction of Earthquakes and other Extreme Events in Complex Systems | (smr 2265)

Contribution ID : 2

Type : **not specified**

## OPENING

*Monday, 26 September 2011 09:30 (0:10)*

### Content

### Summary

**Primary author(s) :** PROF. A. SOLOVIEV (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Presenter(s) :** PROF. A. SOLOVIEV (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

**Session Classification :** OPENING
