

Computational Geodynamics for Geohazard Analysis. Part 1

Wednesday, 5 October 2011 13:30 (0:45)

Content

Summary

Primary author(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake Prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Computational Geodynamics for Geohazard Analysis. Part 1
