

# Supersolid phase of polar molecules in the two-dimensional continuous space

*Wednesday, 12 January 2011 09:45 (0:45)*

## Content

## Summary

**Primary author(s)** : DAW-WEI WANG (National Tsing Hua University, Hsinchu, Taiwan)

**Presenter(s)** : DAW-WEI WANG (National Tsing Hua University, Hsinchu, Taiwan)

**Session Classification** : Supersolid phase of polar molecules in the two-dimensional continuous space
