

## **Non-equilibrium dynamics of 1D Bose gases via quantum noise distribution**

*Thursday, 13 January 2011 09:45 (0:25)*

### **Content**

### **Summary**

**Primary author(s) :** TIM LANGEN (Vienna University of Technology, Austria)

**Presenter(s) :** TIM LANGEN (Vienna University of Technology, Austria)

**Session Classification :** Non-equilibrium dynamics of 1D Bose gases via quantum noise distribution
