

Workshop on New Trends in Quantum Dynamics and Quantum
Entanglement | (smr 2295)

Contribution ID : 14

Type : **not specified**

A unified view of quantum and classical correlations with applications

Tuesday, 22 February 2011 10:30 (0:35)

Content

Summary

Primary author(s) : V. VEDRAL (Clarendon Lab., Atomic & Laser, Univ. of Oxford, U.K.)

Presenter(s) : V. VEDRAL (Clarendon Lab., Atomic & Laser, Univ. of Oxford, U.K.)

Session Classification : A unified view of quantum and classical correlations with applications
