

**Workshop on New Trends in Quantum Dynamics and Quantum  
Entanglement | (smr 2295)**

Contribution ID : **16**

Type : **not specified**

## **Local unitary equivalence and entanglement of multipartite pure states**

*Tuesday, 22 February 2011 11:40 (0:35)*

### **Content**

### **Summary**

**Primary author(s) :** B. KRAUS (Inst. Theoretical Physics, Univ. Innsbruck, Austria)

**Presenter(s) :** B. KRAUS (Inst. Theoretical Physics, Univ. Innsbruck, Austria)

**Session Classification :** Local unitary equivalence and entanglement of multipartite pure states
