

Workshop on New Trends in Quantum Dynamics and Quantum Entanglement | (smr 2295)

Contribution ID : 28

Type : not specified

Multi-state correlations and the Holevo quantity

Wednesday, 23 February 2011 14:35 (0:35)

Content

Summary

Primary author(s) : M. FANNES (Katholieke Univ. Leuven, Theoretische Fysica, Heverlee Leuven, Belgium)

Presenter(s) : M. FANNES (Katholieke Univ. Leuven, Theoretische Fysica, Heverlee Leuven, Belgium)

Session Classification : Multi-state correlations and the Holevo quantity
