

Quantum coherence and decoherence in equilibrium and nonequilibrium environments

Monday, 21 February 2011 10:50 (0:35)

Content

Summary

Primary author(s) : C. MARTENS (Univ. of California, Chemistry, Irvine, CA, USA)

Presenter(s) : C. MARTENS (Univ. of California, Chemistry, Irvine, CA, USA)

Session Classification : Quantum coherence and decoherence in equilibrium and nonequilibrium environments
